

## ***Computer Creativity Contest***

Computers and the internet not only help students to explore creativity and imagination but also help to understand technology. In order to make students better thinkers, creative and confident 3-5 BS conducted computer creativity contest on 2<sup>nd</sup> February.

Preliminary rounds were conducted in the lab. classes. Then, 3 students from each class were shortlisted for the finals.

### ***Topic given for class IV students:***

Students were asked to display safety rules on road by drawing safety rule posters using shapes in PowerPoint presentation.

### ***Topic given for class V students:***

A story outline was given to the students and they had to illustrate it with figures and dialogues in PowerPoint presentation.
