REPORT ON THIRD LANGUAGE CREATIVE WRITING COMPETITION

(2017-2018)

The third language creative writing competition is conducted to give the students a sense of pride for their mother tongue. At the same it helps to hone their creative writing skills in the concerned language. This competition aims at initiating students to express freely and creatively in their mother tongue. The goal is to create their own unique and original master pieces of writing and to think "outside the box". It kindles their ability to think innovatively in both academic and professional settings. The third language creative writing competition was held on 8 May 2017 for classes VI –VIII, with the word limit of 150 words. Different topics were given for all the three grades. Students could write on any one topic of their preference. The students participated in the competition with great enthusiasm and interest.
