### English & Hindi Hand Writing Competition

*A neat and beautiful handwriting always attracts attention.*

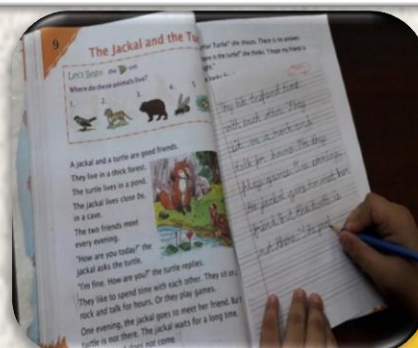

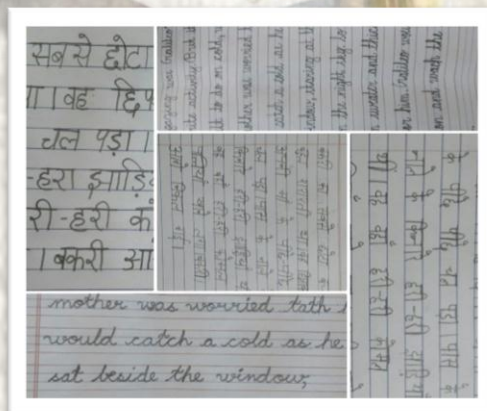

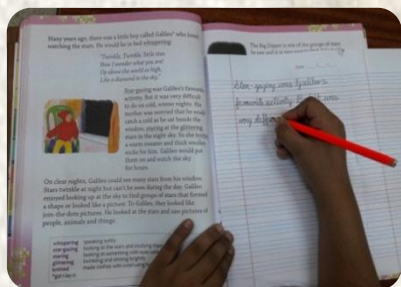

I & II BS conducted Inter Class 'English and Hindi Hand Writing Competition' on 19<sup>th</sup> and 20<sup>th</sup> September 2017 respectively.

All the students were encouraged to present their best handwriting. They made an attempt to improvise their handwriting skills.

The Hand writings were judged on the basis of precision, neatness, formation of letters, spacing and their ability to write within the lines.

The best five from each class were selected.

The English and Hindi Department teachers put in their efforts in organizing the competition very meticulously.
