

Inauguration Programme of Cubs

14th December, 2017, marked the inauguration of cubs for the first time in the history of IISJ. The aspiring cubs from 3rd and 4th class were segregated into 11 discrete brackets called 'Packs', that were named as Panther, Jaguars, Tigers, Lions, Cheetahs, Leopards, Eagles, Hawks, Falcons, Kites and Buzzards. Each of them with a cub master edifying them.

The key approach of the inauguration was to acquaint the boys with vision, aim and the purpose of cubs which indeed is a part of Bharat Scouts and Guides movement.

The cubs inauguration programme commenced with the address of Mrs. Naheed Fatima, The Chief District Organising commissioner for Guides, in which the zestful cubs were conversant with the objective of cub and its inception point. She also stated that this programme will offer the cubs, an enormous variety of activities encompassing areas of fitness, while allowing them to be creative and to get involved meaningfully with their local communities. Summing-up to it, story-telling and sing a song session will also be incorporated in their activities. The cub aspirants would be invested to the initial level called 'Pravesh' after qualifying a simple test and therein to the further levels.

Mr. Mohan Raj, The District Organising Commissioner for Scouts, up skilled the cubs with the briefing of the Vishram and Savadhan postures followed by the Cubs salute, Cubs clap, Welcome clap, Thank you clap and later concluded with the cubs making a promise of doing their best and to help others and hereafter, to keep the Scout law.

Principal, Mr. Syed Masood Ahmed and the Vice Principal, Dr. Najeeb were welcomed exuberantly by the young cubs with a welcome clap.

Principal Sir addressed the cubs and motivated them, revitalizing their spirits of being a cubs. It was also alluded that during their time in the cub, they will get a chance to try a wide range of distinguished activities as well as going on trips, days out and on camp. Followed up next, was the address of Vice Principal, which boosted up the avidity of the cubs and propelled them towards their contemporary aim of being a cub.

The inauguration programme concluded with the affirming of the manifested schedule for the upcoming sessions for the cubs training and subsequently ended with ‘sing a song’ session, where cubmasters and cubs sang a song – ‘Epo I tai tai e o’ and thereby, creating a vibrant ambience for the newly determined cubs, who contemplate to make successful endeavours with a zeal to be a boon to the society.
