

## EARTH DAY CELEBRATION VI – VIII BOYS' SECTION

***“Sustainability, ensuring the future of life on earth is an infinite game, the endless expression of generosity on behalf of all”-- Paul Hawkin***

On the occasion of World Earth Day celebration, the Science department has organized the competition based on the topic “Best Out Of Waste” on 25<sup>th</sup> April 2017. A variety of products were put on display which highlighted the importance of preserving the

environment and conserving the resources through recycling and reusing waste in the best possible manner. The displayed products were adjudged by the art and craft teachers from other blocks. The result is as follows :
