Subject: Introduction of Entrance Coaching Classes

Dear Parents,

You are aware that Government of India has introduced Common Entrance Test (NEET) for medical courses and a similar test is expected to be introduced for Engineering courses too. Considering that majority of our students plan to pursue professional courses but do not get enough coaching to qualify the entrance test, school is planning to explore the possibility of conducting entrance coaching classes.

In this regard, the school management has decided to conduct a survey to identify the number of students interested to join the planned entrance coaching if school succeeds in arranging it.

You are requested to submit the Letter of Consent to the Class Teacher on or before Thursday, September 21, 2017, if you are willing to send your ward for the coaching classes.

Fee for these coaching classes will be worked out and informed later.
