"Science is a way of thinking much more than it is a body of knowledge." – Carl Sagan

Life has a way of testing us. Every day is a new quiz and every morning that we wake up is proof that we have passed. A quiz is to expand one's breadth of knowledge either general or specific areas to aim in the team building process and to improve the self confidence.

On account of World Science day, the Department of Science[VI- VIII] B.S conducted the Science quiz competition on 9 th November 2017 in Boys' Section Auditorium.

The program started with the recitation of a few versus from Holy Quran. Followed by it, the literary secretary Master Md Ibrahim delivered a speech which highlights the importance of science in maintaining peace and sustainability in the present era.

A total of 40 students from classes VI, VII& VIII took part in the competition. The students were divided into 4 teams. G SAT, INSAT, RISAT, EDUSAT.

The participants had to challenge a series of exciting rounds: Individual Round,
